

Thursday 6th February 2020

Dear Parents and Carers,

Dates: **Tuesday 18th February** – Morning trial session
Tuesday 25th February – District Event Day

Details: The District swimming competition is an event day on Tuesday 25th February, where local schools compete in the strokes of freestyle, backstroke, breaststroke and freestyle. All students from years 3-6 are welcome to participate, provided that they are capable and confident swimming 50 metres continuously.

To ensure all students are fit for the competition there is a morning trial session at Casey ARC Aquatic Centre on Tuesday 18th February from 7:30am-8:30am. Students will be asked to swim 50 metres, choosing the stroke/s that they want to compete in. Maramba has quite a small swim team, therefore all students that complete the 50 metre lap with a capable stroke technique, will be asked to compete in the District event day.

Students will need to bring their own swimwear, goggles and towel to both the morning trial session and the District event day. Students will also need to bring snacks and lunch, along with a full drink bottle to the event day.

If your child is asthmatic or suffers from anaphylaxis please ensure that they bring any medication with them that they may need.

Transport: **Tuesday 18th February** – Parents and carers are responsible for transporting students to and from the venue.

Tuesday 25th February – Due to the number of students competing, there will be no bus provided to Noble Park Aquatic Centre on Tuesday 25th February. Therefore you will need to take your child to and from the venue. If you are unable to do this, you will need to give permission for another parent to do so.

Venue: **Tuesday 18th February** – Casey ARC Aquatic Centre, Narre Warren VIC 3805
Tuesday 25th February – Noble Park Aquatic Centre, Noble Park VIC 3174

Time: **Tuesday 18th February** – 7:30am – 8:30am (trial will begin at 7:30am sharp)
Tuesday 25th February – 9:00am – 1:00pm (arrive at 9:00am)

Cost: Fee for trial session - \$12.00 per student (***CSEF can be used for this activity***)
