Summer Interschool sports: Week 1

On Friday 23rd of October 2015, the Years 5 and 6 participated in their first summer school sports. It couldn't have been better weather and Oatlands Primary School were very welcoming and humble!

Getting into the sports, girls and boys cricket had a great start with the girls team getting 7 wickets in total and coming out with a great win: 89-68! The boys also had a great game, ending 156- 153 due to some amazing hits!

Girls basketball were extremely happy after their 20 point win, the final score was 24-4. The boys basketball had some tough luck, as they lost, with the scores being 23-35, better luck next time boys.

Team 1 for Volley Stars also had some bad luck with their game ending 1-2, but Volley Stars 2 had some good luck. They enjoyed the game and won by 4, with the scores being 11-15!

Rounders had a close game, but just couldn't get those extra 3 runs, their game ended 10- 13.

Softball A were a bit challenged but tried their hardest, being their first game. They had an excellent game but couldn't quite get the cat in the bag, and their game ended 18-15.

Softball B on the other hand had a draw. They also played well with the final score ending in 17 all.

In the end, everyone enjoyed their games and congratulated Oatlands on their games because they played very well and were amazing good sports!
